

A holistic approach to research for development

► Cross-cutting issues

-  **Mainstreaming nutrition**
-  **Empowering women** – women are consulted, involved and supported to lead
-  **Attracting youth** to agriculture

► Approach for Adoption

-  **Participatory approach and partnering** – working side by side
-  **Building capacity** – at a national and local level
-  **Integrating communications** - to build awareness and share knowledge
-  **Monitoring and evaluation** – for feedback and adjustment
-  **Policy support** – work closely with government to encourage the needed policies
